

RESOLUTION CC 2015 -21

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
GLENDDORA, CALIFORNIA, DECLARING AND ORDERING AN
EMERGENCY WATER CONSERVATION CONDITION**

**THE CITY COUNCIL
City of Glendora, California**

**THE CITY COUNCIL OF THE CITY OF GLENDDORA DOES HEREBY
RESOLVE AS FOLLOWS:**

WHEREAS, on April 1, 2015, Governor Brown issued Executive Order B-29-15, imposing restrictions on water use in order to achieve an aggregate statewide 25 percent reduction in potable urban water usage through February 2016; and

WHEREAS, on May 5, 2015, in accordance with the Governor's Executive Order B-29-15, the State Water Resources Control Board adopted Resolution 2015-0032 detailing emergency regulations ("Regulations") implementing a statewide 25% reduction in potable urban water use; and

WHEREAS, the Regulations establish conservation levels for water suppliers based on an average Residential Gallons per Capita per Day ("R-GPCD") for the period of July through September 2014, and the City of Glendora has been categorized among the cities mandated with a 36 percent potable urban water use reduction; and

WHEREAS, the City Council of the City of Glendora enacted Section 14.34.120 of the Glendora Municipal Code as an urgency ordinance authorizing the City Council to order that an emergency water drought condition exists, and authorizing that the emergency water conservation regulations become effective immediately by adoption of a resolution; and

WHEREAS, the City Council of the City of Glendora desires to order that an emergency water conservation condition exists, and further order that the emergency water conservation regulations become effective immediately by adoption of this resolution in order to protect the public health, safety, and welfare.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GLENDDORA,
CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:**

SECTION 1. There is a current and immediate threat to the public health, safety, or welfare caused by the statewide drought, as evidenced by Executive Order B-29-15, and the failure to take the actions and to adopt the regulations set forth herein could subject the City of Glendora to fines, and could threaten public health, safety, or welfare, in that: (1) there may not be sufficient water available to the public for basic living necessities; (2) there may not be sufficient water available to the public to fight fires; and (3) there may not be sufficient water available to preserve drought tolerant landscaping, which would adversely impact property values in the City.

SECTION 2. The City Council hereby declares and orders that, pursuant to Glendora Municipal Code Section 14.34.120, adopted on May 26, 2015 as an urgency ordinance, a need to order an emergency water drought condition exists, and hereby orders that an emergency water drought condition is declared to address the water shortage emergency.

SECTION 3. The emergency water conservation regulations of Glendora Municipal Code 14.34.120 shall be implemented immediately.

SECTION 4. All residential users, inclusive of single family and multi-family 2-4 units, shall reduce their water consumption to the 2015-16 Target R-GPCD consumption levels set forth in the Table below. Residential users already at or below the target figures shall reduce their consumption by 10% as compared to the same billing cycle the year prior. Water consumption reduction table will be updated periodically to comply with State requirements and posted to the City of Glendora website.

REPORT MONTH	2013 R-GPCD	2015-16 Target R-GPCD
June	239.83	145.82
July	257.70	156.68
August	266.23	161.87
September	236.94	144.06
October	215.77	131.19
November	174.92	106.35
December	143.29	87.12
January	114.93	69.88
February	136.48	82.98
March	163.11	99.17
April	189.46	115.19
May	239.37	145.54
Residential users already below the target R-GPCD shall reduce their usage by 10% as compared to the same billing cycle the prior year.		

Since the water billing statements cover a two month period, average the target R-GPCD of the two months in the billing cycle to determine the R-GPCD.

SECTION 5. The Finance Director shall be authorized to amend the 2014-15 and 2015-16 budgets to implement the Plan as adopted by the City Council at the May 26, 2015 Regular City Council meeting.

SECTION 6. This Resolution shall become effective immediately upon its passage, and shall be published one time only in a daily newspaper of general circulation.

SECTION 7. The City Clerk shall certify to the passage and adoption of this resolution and shall enter the same in the Book of Original Resolutions.

APPROVED and **PASSED** this 26th day of May, 2015.
